WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

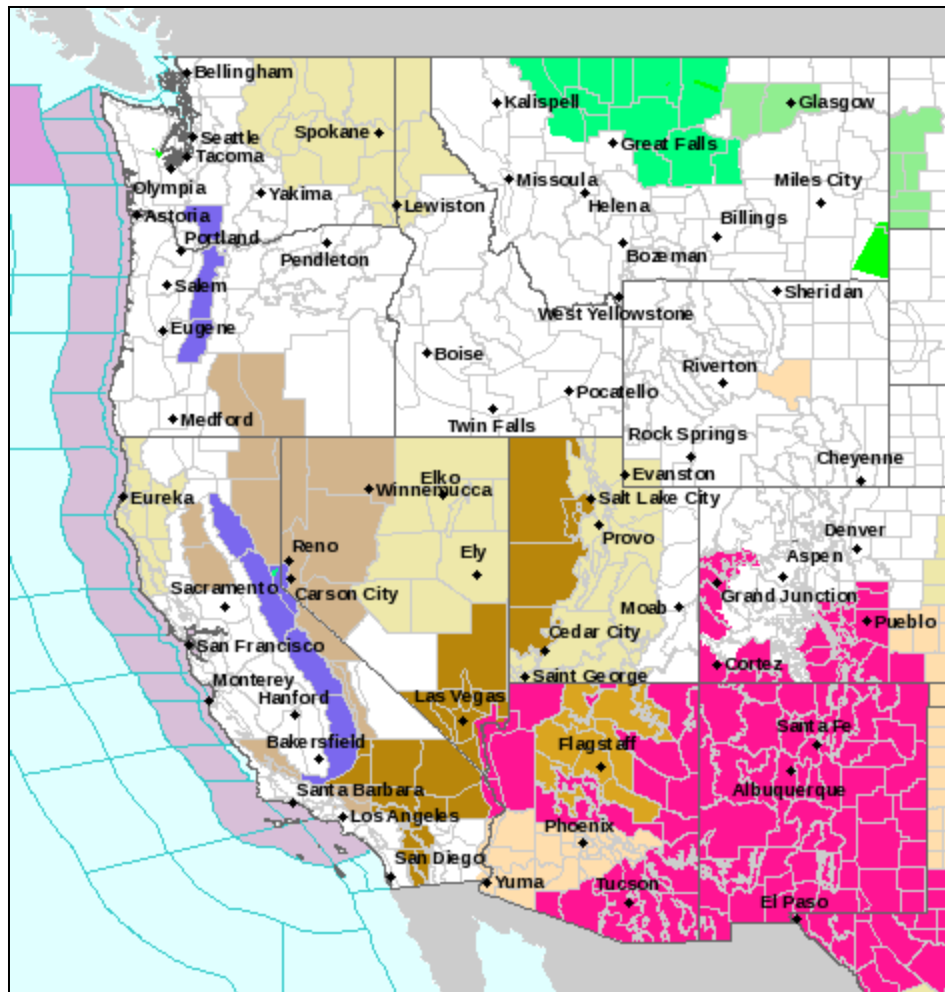

The initial band of rain is expected to move onshore early today, and spread to a Klamath Falls-Burney-Willows-Santa Rosa line by late morning. Snow levels will be around 6,000 feet on the leading edge of the precipitation and 4,000 feet in far NW CA. The rain and mountain snow will continue to spread east and south later on today, and showers are expected in most areas throughout the day on Monday, with snow levels 2,000-3,000 ft.

After a dry and partly cloudy day on Tuesday a lighter system will move through late Wednesday and Thursday with light rain.

SOUTHERN CALIFORNIA

A trough will arrive today and Monday, resulting in gusty winds up to 45 mph in the desert along with light rain over the central coast and Sierras. Temperatures will drop back into the 50s in the mountains to the lower 70s in the valleys early this week before temperatures warm back into the 80s at lower elevations by Wednesday. Gusty north winds in Santa Barbara County and the I-5 Corridor are likely Tuesday night. A stronger system may bring light wetting rain to Central CA by Thursday with cooler temperatures and gusty winds elsewhere.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2018 LAW-46212, 04/14/18, 1642 hours:** The International Emergency Response Coordination Center (IERCC) reported an activation of a SPOT device at the Clear Creek OHV Park in San Benito County. San Benito County Sheriff was notified of the activation. The registered owner (R/O) of the device loaned the device to a friend and confirmed his friend was completing an overnight motorcycle trip with two other riders. The device sent three transmissions within ½ mile of each other, and then stopped transmitting. San Benito County has a patrol vehicle searching the area of the activation and Clear Creek Rd. in the OHV Park. **Mission Ongoing.**
- **2018-LAW-46158, 04/10/18, 1403 hours:** Mendocino County Sheriff's Office (MCSO) requested SAR mutual aid regarding a missing family of four, whose vehicle is believed to have gone into the South Fork of the Eel River, North of Legget, on 04/06/18. Southern Humboldt County Technical Rescue accepted the mission. Cal OES Law Enforcement Duty Officer (LDO) facilitated a request to the CNG so they could do a feasibility analysis of the area to further assist in prepping for this mission, should they be able to support it, as conditions become suitable for additional assets to search for the missing vehicle and family. **Update: 04/11/18, 0830 hours,** Humboldt County Sheriff's Office (HCSO) boat and team with a side scan sonar requested. HCSO accepted the mission to attempt to locate the vehicle as the water is muddy. **Update: 04/11/18, 1457 hours,** MCSO requested an airship from CNG (Lakota (UH-72) or Blackhawk) to assist them on Friday, 04/13/18, to search the area. CNG was working on the request. **Update: 04/12/18,** CNG was unable to fill the request for 04/13/18, the same mission was requested of CNG for Monday, 04/16/18. CHP continued to assist MCSO with air operations. **Update: 04/13/18,** One victim was located approximately 12 miles downstream from the collision site. MCSO requested an additional swift water team to assist in the search efforts. The request is for Tuesday 04/17/18. **Update: 04/14/18,** MCSO requested two swift water teams for two operational periods 04/15/18-04/16/18, to drift the Eel River to assist in the search. Shasta, Marin, and Sonoma counties are assisting with this request. A request was made for an overhead team member to assist the Incident Command Post with planning; Napa County Sheriff's Office will fill this request and assist for the next two operational periods. A request was made for a CNG Lakota (UH72) to search "low and slow" on the Eel River for Monday 04/16/18. **Mission Ongoing.**

Closed Cal OES Law Missions

- **2018 LAW-46225, 04/14/18, 2325 hours:** The IERCC advised of an activation of an InReach device activation on the Pacific Crest Trail (PCT) in San Bernardino County. The R/O's spouse advised that her husband was currently hiking a portion of the PCT. The IERCC attempted to contact the device without success. The San Bernardino Sheriff's Office was notified of the activation and prepared to send air support to the listed coordinates. On 04/15/18 at 0055 hours, the IERCC called back and advised the hiker sent a message via his InReach device that he was not injured and it was an accidental activation. San Bernardino County was notified and cancelled. **Mission Closed.**
- **2018-LAW-46205, 04/13/18, 1555 hours:** Napa County Sheriff's Office requested a Law Enforcement (LE) Cadaver K-9 to assist with a search warrant for a missing person/homicide investigation for the Napa City Police Department. During the investigation, the missing person's vehicle was located in El Dorado County. El Dorado County Sheriff's Office requested six Cadaver K-9s to search the area where the vehicle was located. The request was for one operation period for Saturday, 04/14/18. At 1705 hours, Napa County cancelled the request for the LE Cadaver K-9. The state K-9 Coordinator was able to secure the six K-9s for El Dorado County. **Update: 04/14/18,** The MP has not been located but through investigation it was determined he is not in the area of his vehicle. The mission is closed until further information is obtained. **Mission Closed.**
